

Certificate in Global Public Health

About the Program

The Global Health Certificate Program is designed for students pursuing an MPH or MS degree who seek an enhanced understanding of the influence of culture, behaviors, health systems, and policies on health outcomes globally. With passionate students, engaging and impactful global opportunities, logistical, and generous financial support, the certificate program prepares students for a variety of future careers.

Program Requirements

- IPHS 409: Global Public Health Challenges
- IPHS 410: Global Public Health Successes
- 3 semester hours of an approved Global Health elective
- MPH: Global Health Focused Applied Practice Experience
- MS: Global Health Focused Thesis

To apply, please submit the following in a single PDF to Keith Partyka (Kpartyka@uic.edu), Academic Advisor of the Global Health Program:

1. Completed application form
2. Updated resume
3. Statement of interest (1 - 2 paragraphs)
